BLACKBERRY FARM
WALLAND, TENNESSEE
In 1939, Mrs. Florida Lasier of Chicago snagged her silk stockings on a wild blackberry bramble while exploring the idyllic Smoky Mountain foothills, and the name Blackberry Farm was born. Thirty-nine years later, the Beall family invested their hearts and souls in the same romantic site that has become their family home and lifelong passion. Today, one of America's most celebrated intimate luxury hotels beckons discerning guests who aspire to escape modern-day frenzy and slip into a Blackberry state of mind. Situated on a pastoral 4,200-acre estate in the Great Smoky Mountains, Blackberry will show you the many reasons why it is one of the top rated properties in the world.
How To Get There

We suggest that you arrive at least one day prior to the trip start, which will enable you to adjust to the time zone and minimize the risk of missing the trip start due to flight-related delays. We recommend that you fly into the McGhee Tyson Airport (TYS) in Knoxville, Tennessee. This regional airport is serviced by most major US domestic carriers. From the airport, you may hail a taxi outside baggage claim to take you to downtown Knoxville. The trip will take about 20 minutes and will cost around $30. Before & After: Knoxville, Tennessee

Located on the banks of the Tennessee River and next to the University of Tennessee’s flagship campus, Knoxville is a Southern city with an Appalachian heart. A vibrant folk art and music scene, along with a deep respect for the historic, drives the vibe in the city. The heart of downtown Knoxville is Market Square, which features bustling shops, cafes, and pubs. In the winter the Square plays host to an outdoor ice skating rink and in the spring and summer you’ll find it packed with music fans attending free concerts. One block over are the restaurants, shops and theaters of Gay Street, home to the historic Tennessee and Bijou Theaters. If you are lucky you might catch a show while you are in town, or check out the WDVX Blue Plate Special— a live performance radio show held at noon, Monday through Saturday, at the Knoxville Visitor Center on the corner of Gay Street and Summit Hill Drive. It’s free and the music will knock your socks off! We
recommend the following accommodations for your pre and post trip hotel:

FAQS

**Trip Changes**

Our itineraries are an approximation of our trips. Trek Travel strives to offer each and every guest a vacation of a lifetime on every trip. At times routes, hotels, activities, etc. listed here may change at the discretion of the trip designer or guides to improve the trip experience.

**What are the daily rides like?**

- Rider Type | 2/3
- Average Daily Mileage | 31
- Terrain | Hilly
- Average Daily Elevation | 2,300 ft.

On all of our vacations, Trek Travel strives to find quiet, paved secondary roads or bike paths to experience a region; busy roads are avoided as much as possible. Blackberry Farm is best suited for our Type 2/3 Riders. Our Trek Travel guides can also easily accommodate Type 2 Riders, who seek less mileage or fewer uphills, with a boost in the van. Those who wish to ride every mile but are concerned about their physical ability may want to try our electric bike option—you still get a workout but can climb alongside even the strongest rider. Type 3 Riders will enjoy the extra mileage the avid route options offer. The terrain is varied, with flatter roads along the Little River but with longer climbs on the Foothills Parkway and some short climbs on the Jeffries Hollow and Boling Road Loops. See Itinerary for specific daily ride distance and elevation options.

**What is the weather going to be like?**

Fall generally brings the lowest chance of precipitation of all the seasons in eastern Tennessee, but wet weather is always a possibility. After all, portions of the Great Smoky Mountains National Park are actually temperate rainforest. Temperatures in autumn range from the upper 70s to low 60s during the day and from the upper 40s to upper 30s at night.

**What are the options for a non-rider travel companion?**

On most Trek Travel trips, we offer non-riding options for riders who want to take the afternoon off, or travel companions who want to spend little or no time in the saddle. Some of these options may need to be scheduled before your trip—please contact one of our Trip Consultants for more information. Expenses and/or related transportation to these activities may not be included in the trip price. See Included In The Trip Price for more information. Some non-riding options on this trip are:

- Enjoy the heated spa, pool, gardens, and other amenities at the Farm
- Join the group for a canoe or kayak outing to Tellico Lake
- Hike the trails on the Farm property
- Explore the trails of the Great Smoky Mountains National Park with the group
- Schedule one of the many optional activities at the Farm including horseback riding, fly fishing, and yoga classes

**Do you have upgrade options available?**

For an additional fee you may request to upgrade to the brand new Trek Emonda SLR with Shimano Di2 Electronic shifting or Bontrager Aeolus carbon wheels for the ultimate riding experience. Contact our trip consultants for more details.

**What kind of information is provided?**

When a trip is booked, a guest confirmation letter is immediately sent out. One week
prior to the trip start you will receive an email containing a trip start meeting location reminder and any last minute information that you will need to know before your trip. Once you arrive at your destination Trek Travel staff will brief you on the day-to-day plan for the trip and provide you with daily route guides and a detailed map allowing you to ride with complete confidence and independence.
