La belle vie spills over on this Provence cycling experience. The Provençal attitude, "la vie est belle ici" (life is good here) runneth over on this bike tour. The textured landscape of le Lubéron and the Vaucluse plateau capture a diversity and charisma that defies description. Life in Provence is about discovering a slower pace, from savoring each bite of cuisine to chatting with the locals as you walk through the market. For those who prefer a leisurely pace, cozy cafés, village strolls, and relaxing afternoons temper the adventure of each day’s ride. And for avid cyclists ready for the challenge, the Tour de France’s epic Mont Ventoux is ready to be conquered. Trek Travel’s Provence biking trip offers the opportunity to indulge in all things Provençal at the perfect pace, in the perfect place.

The Gorge de la Nesque awaits today, as you pedal along one of the most beautiful rides in the Vaucluse. This ride is a Trek Travel guide favorite, and is arguably one of the most gorgeous rides in the world. An enormous limestone massif, the gorge has been carved over millennia by the meandering Nesque River. Remains of Neanderthal inhabitants have been discovered in this river valley and its beauty is immortalized in Frederic Mistral's poetry. With cliffs measuring 600 feet, your climb is rewarded with breathtaking panoramic views as you descend to a family farm for lunch as a group. Share a true farm to table meal while enjoying the family's produce and home-cooked dishes. This afternoon's ride takes you over the edge of the Vaucluse Plateau and into the magical heart of the Lubéron, where winding roads lead you through breathtaking valleys and villages to your destination: Gordes. This romantic medieval village perched high on a cliff overlooking the valley was once the heart of the area's resistance during World War II. An optional avid ride will take you to the iconic and oft-photographed Abbaye de Senanque – a Cistercian abbey dating to the 12th-century, whose monks still produce lavender and honey. Before dinner, we'll gather for a private wine tasting of Rhones wines with Laetitia, a local sommelier. Tonight, you are free to explore Gordes for dinner at one of its many fantastic restaurants.

MEETING & DEPARTING

How To Get There

We suggest that you arrive at least one day prior to the trip start, which will enable you to adjust to the time zone and minimize the risk of missing the trip start due to flight-related delays. We recommend that you fly into Paris (CDG). All major US airlines and Air France offer nonstop flights from major US cities. From Paris, take a TGV train to Avignon, either from the TGV station at Charles de Gaulle Airport or from the Gare de Lyon in Paris. Please consult www.voyages-sncf.com to book your tickets.

Alternatively, you may fly into Marseilles (MRS) or Nice (NCE) and take a train to Avignon. Avignon (AVN) also has a small airport with local flights. Please note that there are two train stations in Avignon—the TGV and the Centre station. The TGV station is approximately five miles from the Centre Station downtown. If you happen to arrive at the Avignon Centre train station, there is a frequent shuttle bus that runs between the two stations that costs a few euros per person, which usually takes 10 minutes, and runs approximately every 20 minutes.

Taxis are also available at the Centre Station for the 10-minute ride for approximately 20 euros. Train schedules are available and tickets can be booked directly online at www.SNCF.com or using our in house travel agent services. (Please note the train schedule changes frequently. Please consult the SNCF site for the most up-to-date schedule.)

Meeting Time And Location

Your Trek Travel guides will meet you in the bus parking located in the North Exit of the Avignon TGV Station at 11:30 AM on the first day of the trip. To find the north exit follow signs to: Sortie Nord, the car rental area (location voitures) and to Parking P1. Exit the station and descend all the way to the car rental area. After a private shuttle of around 1 hour, you will arrive in Mazan, a quiet village in the Vaucluse department of Provence, home to Mont Ventoux. Hillsides covered in lush vineyards speckled with sleepy villages accompany you on your ride with the mighty Mont Ventoux in the background.

If you will be late for the pick-up or are going to miss it altogether, please inform your guides. You will receive an email a week before the trip start with their names and contact details. If you cannot reach them, please call our first hotel, Château de Mazan (+33 (0) 4 90 69 62 61), and leave a message with your expected arrival time and contact details. You may take a taxi to the first night’s hotel for approximately 100 euros.

Departing Time And Location

You will say farewell to your guides at 10:30 AM at the Hôtel Le Jas de Gordes, or your hotel variation, Mas de Romarins. After saying goodbye to your guides, you will take a private coach to the Avignon TGV or Central Station (approximately 50 minute shuttle). You can take a train to Paris or any other destination from either station. Please do not book any train before noon to accommodate possible delays due to traffic.
Before: Avignon, France

If you are planning on extending your trip and exploring the walled city of Avignon, there are a number of must-sees. Palais des Papes stands as the largest Gothic palace in Europe. With the arrival of the popes in the 14th century, for a period known as the Avignon Papacy, the Palais des Papes was home to the Sovereign Pontiffs. One must also visit the nearby Pont du Gard, an ancient Roman aqueduct that was used to bring Uzès spring water to Nîmes. We recommend the following accommodations for your pre-trip hotel:

**CLOÎTRE ST. LOUIS**

A Jesuit monastery built in 1611, this building was converted to a hotel in the early 1900s. A walled courtyard, lined with old plane trees, makes for a relaxing setting. It has a small rooftop pool and is one block from the central train station. 80 rooms.

Paris is home to many of the world’s best-known monuments and museums. A backdrop of many famous photos, the Arc de Triomphe sits majestically at the top end of the Champs-Elysées. You can go to the observation deck for an expansive view down the world-famous boulevard from Napoléon’s huge triumphal arch—the largest in the world. The Arc isn’t the only site that offers a great view of the city, however. Other monuments with impressive vistas include the view from the white dome of the Basilique du Sacré-Coeur de Montmartre, or from atop the 56 floors of the Tour Montparnasse, and of course at the summit of the most famous monument in Paris—la Tour Eiffel. We recommend the following accommodations for your post-trip hotel:

**HÔTEL LA DEMEURE**

**MILLESIME HOTEL**

A small boutique style hotel located in the heart of Saint-Germain-des-Prés, this is a perfect spot to see the City of Lights. The décor is modern yet classic, and there is a courtyard where you can relax and enjoy a moment of calm.
