Whether you've never been to Venice or have been there 20 times, there's always something new to discover. The UNESCO World Heritage site comprises the city of Venice and its lagoon situated in the Veneto Region of Northeast Italy. Founded in the fifth century and spread over 118 small islands, Venice became a major maritime power in the 10th century. After: Milan, Italy

A lot can be said and written about Milan. A town of ancient origins, founded by the Celts and conquered by the Romans, it saw its splendor increase during the Renaissance when the Visconti family first, and then the Sforza, ruled the city. During this period, the magnificent gothic Duomo was built, and artists like Leonardo da Vinci and Bramante came to work in the city, leaving great masterpieces like the "Cenacolo di Leonardo." During the Austrian imperial dynasty of the Hapsburgs, the world-renowned Scala Theatre was created and instantly became the fulcrum of the artistic life of the town. Milan is also an international capital of fashion and design, with a very lively cultural scene. Major theaters and the hundreds of art galleries and events cause visitors to think that Milan never sleeps. We recommend the following accommodations for your post-trip hotel:

HOTEL REGINA

A small hotel with individually decorated rooms, this four-star hotel has a private interior garden and plenty of charm to add to your enjoyment of Milan.

FAQS

What Are The Daily Rides Like?

- Rider Type | 4 - Avid
- Average Daily Mileage | 49
- Terrain | Hilly
- Average Daily Elevation | 5,765 feet
- Total Miles | 291
- Total Elevation | 3,460 feet

Averages and totals are calculated from our "Avid Ride" options.

The terrain is challenging, with steep climbs, stunning views, followed by long descents. See the itinerary for specific daily ride distance and elevation options. Our Pro Race Tour Italy in the Italian Alps is best suited for our Type 4 Riders. Our Trek Travel guides can also easily accommodate Type 3 Riders, who seek less mileage

What are the options for a non-rider travel companion?

This destination is best suited to guests who want to cycle every day. Because of the terrain and/or remoteness of the hotels and riding routes, there are few, if any, non-riding options available. If a non-rider wants to accompany a rider guest on this trip, they would need to spend many hours in the van and/or at the hotels on the trip. Due to this, we strongly discourage non-riders from this destination. As an alternative, call a Trek Travel Trip Consultant at 866.464.8735 for trip suggestions where more non-rider activities are available, such as:

- Tuscany Luxury
- Dolomites Multisport
- Piedmont
