

SAN JUAN ISLANDS BIKE TOUR

WASHINGTON STATE'S MULTISPORT PARADISE

Biking on the San Juan Islands, the world seems both expansive and small at the same time. In the San Juans, to-do lists and busy schedules recede and are replaced by placid water, distant peaks and the rhythm of simple fishing villages along the Washington shore. As your focus shifts, it is inexorably drawn to the vastness of the Pacific sprawling to the west, the magnificence of the North Cascades on the horizon and the broad open skies above. These idyllic and relaxing islands, with their temperate maritime climate, lush vegetation and stunning views, offer an absolutely amazing location for your next active-travel bicycle vacation. MEETING & DEPARTING

How To Get There

We suggest that you arrive at least one day prior to the trip start, which will enable you to adjust to the time zone and minimize the risk of missing the trip start due to flight-related delays. We recommend that you fly into Seattle–Tacoma International Airport (SEA). From the airport, you can take the Bellair Airporter to Anacortes (we suggest making reservations by phone at 866-235-5247, www.airporter.com for schedules). A one-way ticket costs \$43 per person or \$82 for a round trip. Please note that the shuttle runs only three times each day, in the morning and early afternoon, and it takes about two and a half hours to get to Anacortes. In Anacortes, the shuttle can drop you off at the Shell Station in downtown Anacortes at 1312 Commercial Avenue. From here, it is a half mile to the Majestic Inn & Spa, where you will meet your guides on the first day of your trip. We recommend calling a taxi upon your arrival in Anacortes to take you and your luggage to the hotel of your choice.

If you choose to drive to Anacortes and need to leave a vehicle somewhere for the duration of the trip, we recommend parking it in the upper lot of the Anacortes Ferry Terminal Lot. The cost for the week is approximately \$55. You must pay at one of the six electronic pay boxes with credit card before leaving the vehicle— parking spaces cannot be reserved in advance. After dropping off the car on the first day of the trip you should take a taxi to meet the group at the normal meeting location. On the last day of the trip, your guides can drop you and your luggage off at the Anacortes Ferry

Meeting Time And Location

Your Trek Travel guides will meet you at the Majestic Inn & Spa (419 Commercial Avenue, Anacortes, Washington) at 8:00 AM on the first day of the trip. Please come dressed in your cycling clothes with your riding gear easily accessible, separate from your luggage. Please also have a set of street clothes and shoes packed separately from your luggage so you can easily change into them for the post-ride ferry crossing. Your guides will acquaint you with your bike and ensure you a comfortable fit before setting out on today's ride.

If you will be late for the pick-up or are going to miss it altogether, please inform your guides. You will receive an email a week before the trip start with their names and contact details. If you cannot reach them, please call our first hotel, the Edenwild Inn (360 468 3238), and leave a message with your expected arrival time and contact details. Taxis are available to the Washington State Ferry Terminal in Anacortes to meet the group. You will need to be at the ferry terminal no later than 12:00 PM in order to meet your guides and board the ferry. If you are unable to make it to the ferry terminal by 12:00 PM check the current ferry schedule (www.wsdot.com/ferries/schedule, look for the summer sailing schedule) for departures to Lopez Island. You may call your guides or the Edenwild Inn to arrange transportation from the ferry landing.

Departing Time And Location

You will say farewell to your guides at 12:15 PM* at the Anacortes Ferry Terminal. **Note that in 2022, this time may shift by approximately 30 minutes either way depending on the ferry schedule.** We recommend reserving a ticket with the Bellair Airporter for transportation to the Sea-Tac Airport (we suggest making reservations by phone at 866-235-5247, www.airporter.com for schedules). The cost is \$43 per person, one-way (or \$82 for a round-trip ticket from the airport). Your guides can help you find the Airporter pickup location at the ferry. The shuttle currently only has one departure time at 12:45pm after our trip ends - we recommend booking this shuttle unless you plan on spending more time in Anacortes. The shuttle takes about three hours. Please allow adequate connection time for any ongoing travel to accommodate possible traffic delays.

Alternatively, you may book a flight on Kenmore Air (www.kenmoreair.com) directly from the Friday Harbor Marina to the Sea-Tac Airport for approximately \$180 per person. Multiple flights are offered each day. Guests who choose this option will say goodbye to their guides and travel companions in Friday Harbor at 10:00 AM. Contact Kenmore Air for more details of this convenient option. **This option is only available for the 2021 itinerary.**

FAQS

What Are The Daily Rides Like?

- Rider Type | 2 - Recreational
- Average Daily Mileage | 20 (2021) / 21 (2022)
- Terrain | Hilly
- Average Daily Elevation | 1,248 (2021) / 1,332 (2022) feet
- Total Miles | 118 (2021) / 124 (2022)
- Total Elevation | 7,490 (2021) / 7,994 (2022) feet

Averages and totals are calculated from our "Today's Ride / Avid Ride" options.

The terrain is full of rolling hills, including some long, gradual grades and some short steep ones. The riding near Anacortes and on Lopez Island is the most gentle, and Orcas Island has the hilliest terrain. Many of the roads on the islands have a "chip seal" surface, which is a type of pavement treatment that is more rough than typical asphalt. This type of surface makes the riding slower and a bit more difficult for the distance when compared to asphalt roads you may be used to. San Juan Islands is best suited for our Type 2 Riders. Our Trek Travel guides can also easily accommodate Type 1 Riders, who seek less mileage or fewer uphill, with a boost in the van. Those who wish to ride every mile but are concerned about their physical ability may want to try our electric bike option—you still get a workout but can climb alongside even the strongest rider. Type 3+ Riders will enjoy the extra mileage the avid route options offer.

What are the options for a non-rider travel companion?

On most Trek Travel trips, we offer non-riding options for riders who want to take the afternoon off, or travel companions who want to spend little or no time in the saddle. Some of these options may need to be scheduled before your trip—please contact one of our Trip Consultants for more information. Expenses and/or related transportation to these activities may not be included in the trip price. Some non-riding options on this trip are:

- Schedule a massage or spa visit
- Take a catamaran cruise or a sunset sail from Eastsound
- Visit the Whale Museum or one of the other art & history museums located on the islands
- Enjoy sight seeing and the varied terrain of the San Juan Islands on a horseback ride
- Scenic hiking all over the islands
- Witness firsthand the amazing ocean ecosystem while sea kayaking
- Schedule a sunset wildlife cruise
