

SOLVANG 4-DAY RIDE CAMP BIKE TOUR

TRAINING IN THE CALIFORNIA SUN

One part wine country. One part Danish culture. All parts epic cycling. Solvang is just another stop in wine country to most California tourists, but to cyclists, it's something special. It hosted a time trial for the Tour of California multiple years since 2007. It's the basecamp for pro teams in the spring who want to train in the United States. And it's a great place to boost your fitness with a climb up Mt. Figuroa or spin through Foxen Canyon. Of course, you can't leave without sampling a wine or two, and maybe a taste of Abelskiver, the local Danish pastry. This is a vacation, after all. Please note: Our 4-day ride options below are based on the longer 7-day Ride Camp. Option 1-4 is standard on the Monday start, and Option 4-7 is standard on the Thursday start. These are subject to change based on inclement weather and road closures. [Book your trip with confidence »](#)

FAQS

What Are The Daily Rides Like?

- Rider Type | 4 - Avid
- Average Daily Mileage | 47
- Terrain | Hilly
- Average Daily Elevation | 3,786 feet
- Total Miles | 332
- Total Elevation | 26,500 feet

Averages and totals are calculated from our "Avid Ride" options.

The terrain is consistently rolling, with quiet, narrow, and winding roads. The road surface quality in the Solvang area can be poor at times and may include potholes or roughly patched surfaces. Many climbs average just a few miles but tend to be steep, while the mighty Fig awaits at 9% for 10 miles. Solvang Ride Camps are best suited for our Type 4 Riders. Type 4+ Riders will enjoy the extra mileage the avid route options offer.

What are the options for a non-rider travel companion?

On most Trek Travel trips, we offer non-riding options for riders who want to take the afternoon off, or travel companions who want to spend little or no time in the saddle. Non-riders are welcome on a Ride Camp trip if they are staying in the same room with a riding guest. The riding guest will be required to pay the single supplement fee for a private room and a meal package (\$350 for 7 day trips and \$200 for 4 day trips) for the non-rider to dine with the group. Please contact a trip consultant for details and to book a non-riding companion. Some of these activities have additional costs and can be arranged through the hotel's concierge. Some non-riding options on this trip are:

- Wine tastings
- Boutique shopping
- Hiking opportunities
- Explore local historic monuments and museums
- Horseback riding
- Golf
- Various outdoor activities including rafting, mountain biking, rock climbing, fishing and more
- Spa Services

Trip Changes

See itinerary for specific daily ride distances and elevation options. On all of our vacations, Trek Travel strives to find quiet, paved secondary roads or bike paths to experience a region; busy roads are avoided as much as possible. Though our routes are well-researched to provide the best possible riding experience, riders should be prepared for road surfaces of varying quality which, at times, can be poor. To improve comfort and performance, we have outfitted our Domane bikes in Solvang with a wider, 32cm Bontrager AW3 Hard Case lite tire to better accommodate the road surfaces. Our itineraries are an approximation of our trips. Trek Travel strives to offer every guest a vacation of a lifetime on every trip. At times routes, hotels, activities, etc. listed here may change at the discretion of the trip designer or guides to improve the trip experience.
